<sup>2</sup> Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Motion or the Purchase Agreement, as applicable.

Motion as **Exhibit B**, and performance of their obligations thereunder, (b) the sale of certain of the Debtors' assets in connection therewith, free and clear of all claims, liens, rights, interests, and encumbrances, and (c) the assumption and assignment of a certain Lease (defined below) and certain executory contracts (each a "Contract," and collectively, the "Contracts") listed on **Schedule 1** attached to this Order, as contemplated by the Purchase Agreement, and (ii) granting related relief; and upon the First Day Declaration; and upon the Sicoli Declaration and the Marshall Declaration; and it appearing that this Court has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157(a)-(b) and 1334(b), as a core proceeding pursuant to 28 U.S.C. § 157(b)(2) that this Court can decide by a final order; and it appearing that venue of this in this Court is proper pursuant to 28 U.S.C. §§ 1408 and 1409; and notice of the Motion appearing adequate and appropriate under the circumstances; and the Court having found that no other or further notice is required; and upon the record of the hearing held by the Court on the Motion on May 4, 2020 (the "Hearing") and all of the proceedings herein; and there being no objections to the requested relief; and after due deliberation the Court having determined that the legal and factual bases set forth in the Motion and at the Hearing establish good and sufficient cause for the relief granted herein, in that the proposed transaction is a proper exercise of the Debtors' business judgment, and is for fair value, at arms length and in good faith, and is in the best interests of the Debtors' estates, creditors and other parties in interest, that the Debtors have or will have, as the case may be, satisfied the requirements of section 365 of the Bankruptcy Code, and that the Debtors have satisfied one or more of the requirements of section 363(f) of the Bankruptcy Code; now, therefore,

**IT IS HEREBY ORDERED THAT**

1. The Motion is granted to the extent set forth herein.
2. The Debtors are authorized to enter into, and perform under, the Purchase Agreement, including, without limitation, the Novation Agreement of the Lease Agreement (as

defined in the Purchase Agreement) and all other exhibits and schedules attached to the Purchase Agreement.

3. The Purchase Agreement, all of the terms and conditions thereof, all of the transactions contemplated therein, and all additional instruments and documents that may be reasonably necessary or desirable to implement the Purchase Agreement, are approved in all respects. The failure specifically to include any particular provision of the Purchase Agreement in this Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Purchase Agreement be authorized and approved in its entirety.

4. The Purchase Agreement, and the consummation of the sale contemplated thereby, is in the best interest of the Debtors, their respective creditors, estates, and other parties-in-interest. The Debtors have demonstrated good, sufficient, and sound business reasons and justifications for entering into the Purchase Agreement and the performance of their obligations under the Purchase Agreement.

5. All persons and entities are prohibited and enjoined from taking any action to adversely affect or interfere with, or which would be inconsistent with, the ability of the Debtors to transfer the Houston Assets to the Purchaser in accordance with the Purchase Agreement and this Order.

6. On the Closing Date, all of the Debtors' right, title and interest in and to, and possession of, the Houston Assets shall be immediately vested in the Purchaser pursuant to sections 105(a), 363(b), 363(f), and 365 of the Bankruptcy Code, including in connection with, among other things, the Contracts and Lease that are assigned under the terms of the Purchase Agreement; provided, that if prior to Closing the Seller and Purchaser agree in writing to exclude a Contract from the Acquired Contracts subject to their mutual discretion, such Contract shall not be assigned

to Purchaser but shall be deemed assumed by Seller as of the Effective Date in accordance with the Plan and the Purchase Agreement (which shall be modified or amended in a manner agreed upon by Seller and Purchaser, in their mutual discretion, to conform to such exclusion). Such transfer shall constitute a legal, valid, binding, and effective transfer of the Houston Assets. All persons or entities, presently or on or after the Closing, in possession of some or all of the Houston Assets, are directed to surrender possession of the Houston Assets to the Purchaser or its applicable designees at the Closing or at such time thereafter as the Purchaser may request.

7. The sale of the Houston Assets constitutes a transfer of the Houston Assets for reasonably equivalent value and fair consideration under the Bankruptcy Code, the laws of the states in which the Debtors and Purchaser are incorporated or organized, and any other applicable non-bankruptcy laws.

8. The sale contemplated by the Purchase Agreement is undertaken by the Purchaser without collusion, in good faith and from an arms'-length position, as that term is defined in section 363(m) of the Bankruptcy Code, and accordingly, the Purchaser is hereby determined to be a good faith purchaser within the meaning of section 363(m) and any reversal or modification on appeal of the authorization provided herein to consummate the Sale shall not affect the validity of the sale (including the assumption of the Contracts and leases), unless such authorization and the consummation of the sale are duly and properly stayed pending any such appeal.

9. Neither the Debtors nor the Purchaser have engaged in any action or inaction that would cause or permit the sale to be avoided or costs or damages to be imposed under section 363(n) of the Bankruptcy Code. The consideration to be provided by the Purchaser in exchange for the Houston Assets under the Purchase Agreement is fair and reasonable and the Sale may not be avoided under section 363(n) of the Bankruptcy Code.

10. The Required DIP Lenders (as defined in the Plan) have consented to the sale contemplated under the Purchase Agreement, subject to: (a) the final form of the Motion, this Order, the Purchase Agreement, and any documents related thereto and (b) the application of proceeds with respect to the sale contemplated under the Purchase Agreement, each being in form and substance acceptable to the Required DIP Lenders.

11. Subject to paragraph 10 of this Order, the sale contemplated under the Purchase Agreement is permitted notwithstanding any provision contained in the DIP Credit Agreement (as defined in the Plan), and such provisions have been waived and are of no force and effect with respect to the sale.

12. The assumption of the Lease and Contracts by Internap and assignment to the Purchaser is authorized and approved pursuant to sections 363 and 365 of the Bankruptcy Code, **provided, however, that notwithstanding any provision in the Plan to the contrary, non-Debtor counterparties to the Contracts shall have until the day that is twenty-one (21) days following service of the Motion to file a Cure Objection or an objection regarding assignment of the applicable Contract (an “Assignment Objection”).**

13. Following the deadline to file a Cure Objection or Assignment Objection, or the payment of the cure amounts by the Debtors or resolution of any timely filed Cure Objection or Assignment Objection, as applicable, the non-Debtor counterparty to each of the respective Contracts shall be forever barred, estopped, and permanently enjoined from asserting against the Debtors, their successors or assigns, or the property of any of them, any default existing under the Contracts through the Closing Date or asserting any additional cure amounts owed to such non-Debtor counterparty as of the Closing Date.

14. Adequate assurance of future performance has been provided in connection with the assignment of the Lease and Contracts.

15. Any provision in the Lease or Contracts that prohibits, restricts or conditions the assignment of the Lease or Contracts (including, without limitation, those of the type described in Sections 365(e)(1) and (f) of the Bankruptcy Code) or allows any party to impose any penalty, fee, increase in payment, profit sharing arrangement or other condition on renewal or extension, or to modify any term or condition upon the assignment of the Lease or Contract, constitutes an unenforceable anti-assignment provision that is void and of no force and effect.

16. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtors and assignment to the Purchaser of the Lease and Contracts have been satisfied or will be satisfied on the terms of this Order. Upon the Closing Date, in accordance with sections 363 and 365 of the Bankruptcy Code, the Purchaser shall be fully and irrevocably vested with all right, title and interest of the Debtors under the Lease and Contracts that are assigned at Closing, as provided in this Order.

17. Except for the Permitted Liens, as defined in the Purchase Agreement, the sale of the Houston Assets to Purchaser shall be free and clear of all claims, liens, rights, interests, and encumbrances on such assets of any kind or nature, with such liens, rights, interests, and encumbrances to attach to the sale proceeds thereof in the same amount and priority, with the same validity and enforceability, and subject to the same defenses as existed immediately before the Closing.

18. Purchaser shall assume all Assumed Liabilities, including, but not limited to, all *ad valorem* Taxes owed to Harris County secured by Liens on the Houston Assets to the extent such Taxes are attributable to any Tax period beginning on or after the Effective Time, provided,

however, that Seller shall remain responsible for such Taxes for any Tax period (or portion of a Tax period) ending at or prior to the Effective Time in accordance with the terms of the Purchase Agreement and provided further that Seller shall be fully responsible for all such Taxes for any Tax period (or portion of a Tax period) attributable to the operations of Seller in any location other than Harris County. In the event the Purchaser receives a credit from the Seller for any portion of the Taxes attributable to the Seller, the Purchaser shall remit that portion of the Taxes when they come due in the ordinary course of business.

19. Notwithstanding Bankruptcy Rule 6004(h) and 6006(d), this Order shall be immediately effective and enforceable upon its entry, sufficient cause having been shown.

20. The Debtors are authorized to take all action necessary to effectuate the relief granted in this Order.

21. This Court shall retain jurisdiction to hear and determine all matters arising from or related to this Order and the implementation, interpretation and/or enforcement hereof.
